

STOKE  
PARK  
PRIMARY

## **DRAFT ADMISSION ARRANGEMENTS 2022/23**

Stoke Park Primary School is an academy and part of Cathedral Schools Trust (CST) who is the admission authority.

Stoke Park Primary School has a published admission number of 30 pupils for entry into reception. The school will accordingly admit at least 30 each year if sufficient applications are received. All applicants will be admitted if 30 or fewer apply.

Our admissions are managed by Bristol City Council (BCC). All applications and appeals should be made via Bristol City Council Admissions.

### **Children with an Education, Health and Care Plan (EHCP).**

The school will admit any pupils with an Education, Health and Care Plan (EHCP) naming the school. The places are reserved and the PAN will be reduced accordingly. Their parents should apply for a place via the service dealing with Special Education Needs in their home local authority and do not need to make an application on the common application form.

### **Consideration of Applications**

Priority will then be given to those children who meet the criteria set out below, in order;

#### **1. Looked after children and previously looked after children.**

Highest priority will be given to looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.

#### **2. Siblings**

Next, pupils who will have a sibling on roll at Stoke Park Primary School in the year of entry. The term "sibling" means a full, half, adopted, step brother or sister, but not cousins or other family members. A sibling must be living **permanently** with the applicant at the same address at the date of their admission to SPPS. The school may require proof of relationship and/or proof of residence.

#### **3. Geography**

Children living closest to the school as measured in a direct line from the **home address** to the school.

'Home Address: A child's permanent home address, where he or she resides with a person with parental responsibility, or with a parent (as defined in Section 576 of the Education Act 1996). It is the address where the child spends the majority of the time. Documentary evidence may be required to confirm a child's home address. If a child regularly lives at more than one address the admission authority will have to reach a conclusion about which address should be counted as the main address when allocating school places. This will normally be the address where the Child Benefit is paid or where the child is registered with a doctor.'

Home to school distances will be measured in a direct line from a point on the home address as held by the local authority to a point within the main school building using the local authority's computerised mapping system.

### **Tie-breaks**

Where there are more applications than there are places remaining within a particular category, siblings will be given priority. After this, direct line distance from home to school will be used as a tie-break.

Where two or more applicants cannot be separated, the offer of school place will be determined by random allocation; the drawing of lots, and will be overseen by an independent person.

However, if children of multiple births (twins and triplets) and are tied for the final place, those siblings will be admitted over PAN as permitted by infant class size rules.

### **Deferred Entry for Infants**

Parent/carers offered a place in reception for their child have a right to defer entry, or take up a place part-time, until the start of term beginning immediately after their child has reached compulsory school age. However, places cannot be deferred beyond the beginning of the final term of the school or until the next academic year. Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31<sup>st</sup> August, 31<sup>st</sup> December and 31<sup>st</sup> March.

### **Admission of children outside normal age group**

Children are normally educated in school with others of their age group; however, in exceptional circumstances parents/carers may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting his or her schooling. In addition, the parents of a summer born child may choose not to send their child to school until September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. All such requests will be considered on their merits and either be agreed or refused, on that basis. If a request is refused, the child will still be considered for admission to their normal age group.

The process for requesting such an admission is as follows:

With the application, parents should complete the form below to request that the child is admitted to another year group, and the reasons for that request;

[Form to request an out of year group admission](#)

Completed forms should be sent to the Admissions Officer, Cathedral Schools Trust, College Square, Bristol, BS1 5TS or via email to: [admissions@cathedralschoolstrust.org](mailto:admissions@cathedralschoolstrust.org)

Parents will submit any evidence in support of their case with the application, for instance from a medical practitioner, head teacher etc. Some of the evidence a parent might submit could include:

- Information about the child's academic, social and emotional development;
- Where relevant, their medical history and the views of a medical professional;
- Whether they have previously been educated out of their normal age group; and
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The Trust will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests. The Admissions Committee along with the Head Teacher will then decide whether such an out-of-year group place will be agreed or refused. We will also ensure the parent is aware of whether the request for admission out of age group has been agreed before final offers are made, and the reason for any refusal. Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

### **Waiting Lists**

The school will operate a waiting list for each year group. Where in any year the school receives more applications for places than there are places available, a waiting list will operate until the end of the school year. This will be maintained by the school and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria [1 - 3 above]. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added or leaves it.

### **Appeals**

All applicants refused a place have the right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

The school will prepare guidance for parents/carers on how to appeal. Information on the timetable for the appeals process will be published on the school website.

### **Late Reception Applicants**

The school defines a “late applicant” as one that arrives after the deadline date for submitting their common application to the local authority (15<sup>th</sup> January). These applicants will not be included in the first round allocation process for reception places. Late applicants will be included in the second round of allocation if places becomes available.

### **In Year Applications**

Parents/carers, seeking admission, that is not part of the normal admission process are able to make an in year application for the school.

Parents/carers should complete the in year application form available on Bristol City Council website:

<https://www.bristol.gov.uk/schools-learning-early-years/in-year-admission>

Children’s position on the waiting list will be determined solely in accordance with the oversubscription criteria [1 - 3]. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria [1 - 3]. The waiting list will be reordered in accordance with the oversubscription criteria [1 - 3] whenever anyone is added or leaves it.

Each in year application made to the school is only valid for the academic year in which it is made. Parents/carers will be required to make a fresh application for each new academic year.

The school will participate in Bristol City Council’s In Year Fair Access Protocol.

### **Registered Address**

Head Teacher: Mrs Alison Lambert  
Stoke Park Schools  
Brangwyn Grove
