

PROSPECTUS

“It’s so refreshing to have this **level of support** from school and we send our child off daily, safe in the knowledge that there is a team at school who know how to help her”

Trinity parent

Welcome

It is my pleasure and privilege to lead a team of outstanding teachers, pastoral and support staff all united in one goal: to ensure our young people have an outstanding, rich and exciting education. At Trinity Academy, we offer a world-class education that allows every child to achieve beyond what they thought they could – their absolute best. We believe that true education is about the whole child, learning in everything they do, in and out of the classroom to become happy, confident, successful and engaged adults.

Our mission is to create a world class school. As such, we expect that all members of our community seek to become the best version of themselves, developing **Head, Heart and Soul**, so that our students will ultimately be successfully and happily employed in a career with prospects, as well as being citizens with a burning passion to serve their communities.

Mr E Bailey
Headteacher

“Resilient, inspiring, amazing, caring, enthusiastic, professional and fun - are words that spring to mind when I think of Trinity staff.”

Trinity parent

Head

We believe that the world is an amazing place and want to share our fascination with it with our students. Learning is central to everything we do. We are passionate about being expert teachers both in our subject knowledge and our understanding of the science and art of teaching. Our students develop a love of learning and the practices to ensure success. It is an exciting and challenging place to learn!

“For me, Trinity Academy has **shaped me as an individual** allowing me to reach my **full potential**. The school has also pushed me to **challenge myself** and provided me with **exciting opportunities** including student parliament, the community Iftar, Culture Day and numerous clubs. Being one of the **first members of the Trinity Community** has given me the privilege to **watch the school grow** and grow with it.”

Filsan Muhumed, Year 10 student

Heart

Students are taught to care for and respect themselves, their community and their environment. We care deeply for them, ensuring that all students of all abilities become the best versions of themselves because they are safe, happy and motivated. A strong emphasis is placed on belonging to the school community as we celebrate the amazing diversity of culture and heritage in our school. Our values are extremely important to us and we live them out at every level of the school.

“Creativity, imagination and passion sum of the heart and soul of Trinity. Being here is an **inspirational experience.**”

Anika Mistry, Year 10 student and Bristol City Youth Mayor 22/23

“If self-direction, resilience, self-control and communication are the desired character requirements, you have all been the most **superb role-models!** We are very proud and thankful to be part of such a wonderful Trinity ‘family’.”

TRINITY ACADEMY

ACADEMY

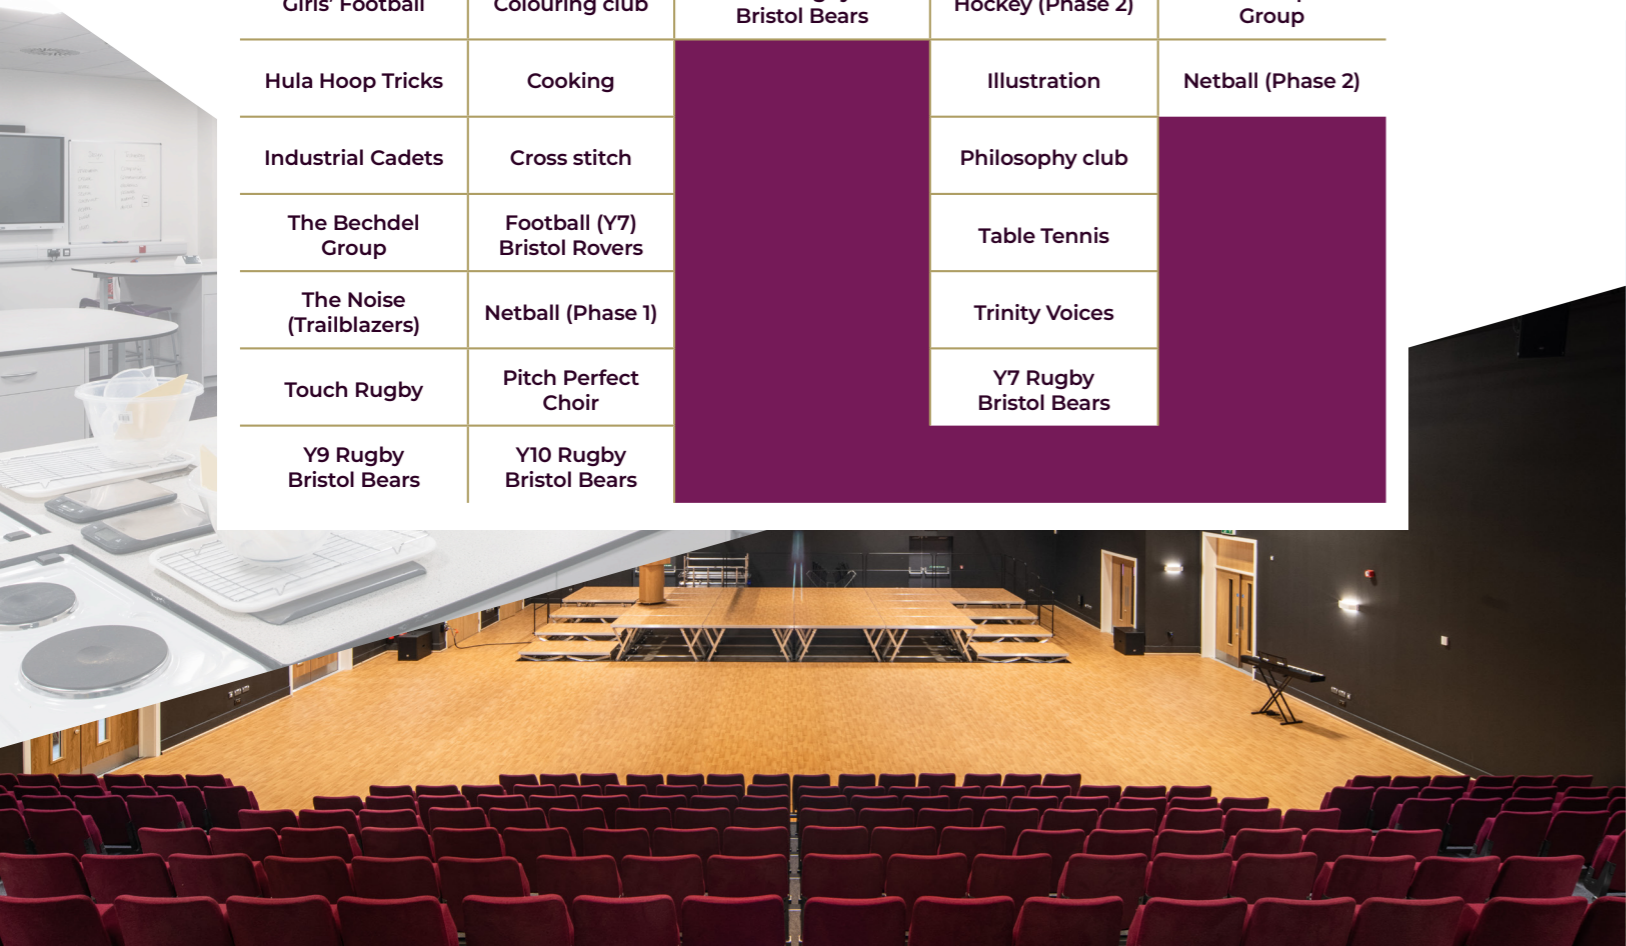

“Every morning we do the school drop off and see **so many happy, smiley faces** and at the end of the day we collect a **happy girl who is enthusiastic to tell us about her day and what she has learnt.**”

Soul

We have an exceptional co-curricular programme at Trinity which maximises our outstanding facilities including our concert hall, dance and drama studios. We know co-curricular is where students can find their spark, where relationships are deepened and the 'soft skills' employers are looking for are developed. Staff and external providers offer over 60 clubs a term covering all areas of interest including the performing arts, sport (football, rugby, cricket, netball, basketball, fencing, aikido, rounders, table tennis, badminton, karate) the Duke of Edinburgh award, debating, model UN, languages and many, many more.

“ I had never played rugby before I came to Trinity. I signed up to the Trinity rugby club and **loved it**. I decided I wanted to play more and now also **play for a local team every week**”.

Devontae Bennet, Year 10 student

Music Specialism

Music has a unique emphasis at Trinity, and binds our community together. 10% of our students gain entry to Trinity through a music aptitude test. All our students are offered a free instrument and heavily discounted lessons when they join the school and all our Year 7 and 8 students sing in a choir. Music and the performing arts are a significant part of the Key Stage 3 curriculum and we have a rich programme of concerts, shows, performances, master classes and visits. It is a creative hub that resonates through our whole community.

“Trinity helps you to become the **best version of yourself** in whatever you want to specialise in. We have **high quality facilities** and methods of teaching in the **Music and Performing Arts** department.”

Laolu Peters, Year 8 pupil and student at the Royal Welsh College of Music and Drama.

“Our daughter **loves coming to school** and we can see how much she’s **blossomed** since she started in September.”
